## *To Describe Her is a Silence*

*To write about a young girl  
innocent as her love,  
to describe her is a silence  
now as peaceful as a dove.*

*Our world was so unworthy  
for her smile always there  
to know her was to love her,  
and to always want her near.*

*A piece of us died, too  
When her happy dreams were stolen,  
but we must believe she's happy  
in a place we've never known.*

*I hear her echo in my laughter  
and her comfort in my tears,  
she misses all you, too  
and your prayers I know she hears.*

*Though her presence's never seen  
her friends she'll always guide,  
her whispers in the dark  
to her they'll now confide.*

*The way to remember  
what she brought into your day,  
is to never lose the love  
and the memories will stay.*

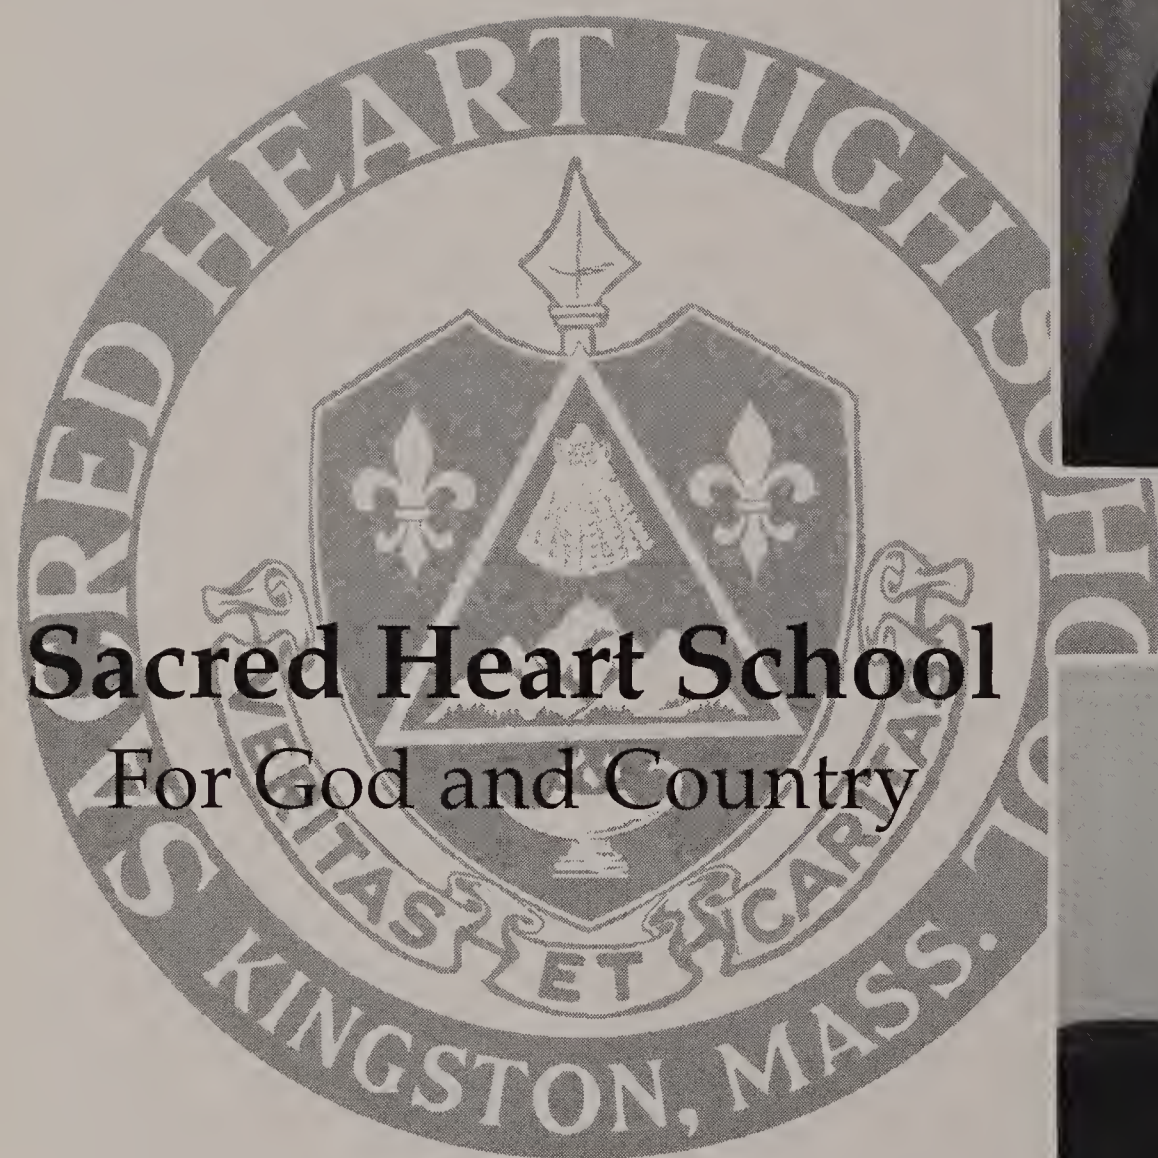

*She's the wind through your hair  
and the rain in your eyes,  
a petal in God's perfect rose,  
and a star in His skies.*

*To write about a young girl  
as these words do here above,  
to describe her is a silence  
forever my sister- with love.*

The people we are now are nothing. They will soon become memories along with all the other cluttered objects of the past. The only thing that really matters is the change that we are involved in. That daily metamorphosis where we shed the skin of one human being and become another. Make that change for the better. We can fight what's wrong, and change and shape the world to however we want it. Realize your potential by living it. We are young and therefor have a rage in us that can't be controlled unless we let it be. Shatter the old, revolution can work for the good. Be outspoken, but more important be intelligent so you will be heard. Individually we can present Ideals, collectively, they cannot be stopped.

I could write about the past four years, but I won't. Instead I will make a brief statement about my junior year, that will hopefully apply to my senior year as well. Because of my friends, both new and old, (you know who you are) I have realized without question, who I am. Once one does that, other people's impressions have little meaning. I will leave most of you for good this year. To those of you who will stay with me, I extend my eternal gratitude for truly caring enough to ride out the storms with me as well as cruise through the pacific waters with me. I am probably the last person many of you would look to for advice, but here's some anyway. Keep your problems in perspective, because there is always something bigger.

Each of our lives will be determined by the path we will take. We are each snowballs, and our life is the hill below us. We are rolling and each new revolution adds a new fresh layer of snow. We won't stop rolling until we reach the bottom. But at the point, we will be huge and indestructible. Each new layer of snow adds to our ever wiser and mature minds. I thank those friends and my family who have added fresh flakes to my rapidly growing snowball. You are a part of me that will not crumble, but grow. We have so much ahead of us to look forward to— so much that we have not encountered. so much potential, so much energy— don't harness it, but let it run free. Our day has come.

Anybody could have done it but Nobody did it. Somebody got angry about that because it was Everybody's job. Everybody thought Anybody could do it but Nobody realized Everybody wouldn't do it. I took for granted all those times that I thought would last. However now, I struggle to hold on to the past. Life has been an endless "long and winding road" but I have taken each turn carefully, some were rough others smooth. And know a fork in the road approaches, some will go one way, and others will travel the different. I hope to take the road less traveled by. I want to thank all of you who let me be part of your lives, for sometimes I feel alone like "a lonely clown in a world of neckties." I want to thank Mom+Dad, I love you. Nothing would have been possible without you. Mike, Kevin, Greg good luck+best wishes in all that you do. I want to leave Sacred Heart with three things to keep in my mind: 1. ## Whale Watch

September 29, 1994

The senior class ventured out on a Captain John boat to behold the various creatures of the sea. Students and teachers alike were in awe of the whales, dolphins, and mula-molas that they came upon. Students also enjoyed the ship's fine cuisine and the company of their classmates.

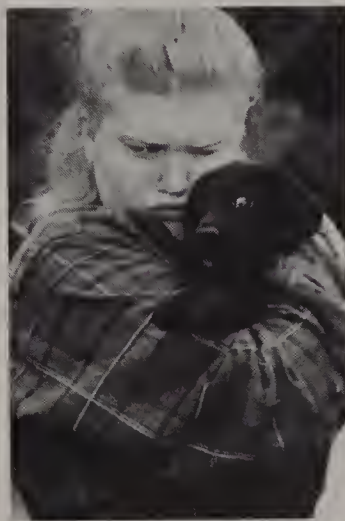

## *Senior Retreat* *September 26, 1994*

On September 26th, the seniors gathered at Miramar Retreat House to spend a day discussing today's challenges that face teenagers, and the effect of the presence of God in their lives. Through lectures, personal conversation and Mass, Father John Kearns, along with two of his students, reached out to each individual, relating his/her own experiences with God as a guide and friend, to the everyday life of the seniors. At the end of the gorgeous day, students returned to school with smiles on their faces and with a stronger bond among their classmates.

The Student Council is an organization based on service to the community and school. Through activities such as the Thanksgiving food drive and the Christmas gift drive, the Council offers its time and organizational skills to unfortunate people around them. By enlisting the students' help, the Council involves the whole school. Various fundraisers allow the Student Council to offer scholarships for graduating and returning students. One such fundraiser was the annual Homecoming, which included a pep-rally, and a dance, along with a student volleyball tournament designed to keep spirits high between soccer games. The Council also sponsored such activities as a pep-rally for the girls soccer team for the state championship and a December ski trip to Loon Mountain. These types of activities offer the students an opportunity to have fun together with the Council.

The Community Service and Peer Ministry groups are both oriented to service and outreach, but each in a slightly different way. Community Service volunteers offer their time and abilities to serve those in need — children in the Pre-Primary School, residents at the Shelter for the Homeless as well as local facilities (civic and church) in their respective towns. Peer Ministry members agree to apply the concept of Ministering to others according to the Gospel mandate of Jesus. They study relational-listening skills in order to offer help and support to one another as they meet similar problems and difficulties in their lives. Members act as mentors (big brothers, big sisters) to incoming freshman students in order to help them adjust more easily to the structures and programs of the High School. Various members also assist in the freshman retreat.

Pictured in the photos are some of the members of both Community Service and Peer Ministry groups. Some students are active in both groups.

Key Club is the high school service organization whose purpose is to promote the school and its activities. The organization is affiliated with the local chapter of the Kiwanis Club whose business membership awards scholarships to our graduating seniors annually. Key Club ushers at all school assemblies and special events. We provide school tours to prospective students and their parents as an aid to the admission process. For several years, we have assisted with set-up and hosting of the spaghetti dinner at the Holly Berry craft fair which is now a school tradition.

The Sacred Heart chapter of the Key Club works to promote leadership capabilities in its membership.

GREEN (Globally Responsible Environmentally Aware Network), the school's environmental organization, in its fifth year, made many steps toward increasing the environmental awareness of the Sacred Heart community. In September, coordinator Jim Leslie brought GREEN members and area residents together to clean Plymouth Long Beach. This year, more than 600 pounds of trash was collected by thirty participants. Refreshments were provided by Cape Cod Potato Chips of Hyannis and Pepsi-Cola of Bourne. At the Holly Berry festival, members sold upwards of \$130 of recycled stationary. After the Christmas holiday, the group took to walking out behind the SAC, identifying plant species and animal tracks along the way.

June Shive, President of Plymouth County Mothers Against Drunk Driving, addresses the high school student body on the losses from drunk drivers. Her presentation was sponsored by Sacred Heart SADD.

Rachael Levangie works at preparing Christmas wishes and reminders from SADD for all the SHHS students.

Students Against Drunk Driving (SADD) is a group whose goal is to prevent students from driving drunk by making students aware of the dangers of this action. The group meets once a month. At these meetings SADD news and interesting statistics are put on the bulletin board, and fundraisers and presentations are planned. At dances the club sells non-alcoholic drinks. During the holidays it carries out a ribbon campaign in which ribbons are worn to signify one's promise to drive sober over the vacation. It also plans an annual speaker to address the student body (last year's was June Shive of the MADD organization.) The group also holds an annual poster and essay contest to discourage drunk driving, supports the prom, and provides students with scholarships.

Members of Amnesty International USA write letters to heads of governments throughout the world on behalf of prisoners of conscience. These prisoners are held without charge or trial simply because of their beliefs. Sometimes because of our letter - writing, torture is stopped, medical treatment is given, death sentences are commuted or prisoners are released. In addition to successful "Urgent Action" cases, three prisoners who were the focus of last year's Christmas card project were released.

The National Honor Society is a nationally recognized high school organization whose members are selected by their demonstration of the four qualities of character, scholarship, leadership and service in school and community. The NHS sponsors the annual Snowball Semi-Formal Dance to raise money for the four scholarships (academic and service) given to two seniors and two juniors in the spring. Members also serve as tutors to underclassman, are daily messengers from the front office to the students in both the Junior High and High School, and help to collate the Christmas and Spring Music Programs. The NHS also sponsors the Faculty/Staff Appreciation Tea in the Spring.

## *What does it take?*

Exchange students learn that an experience in a new culture requires more than a superficial knowledge of the host country.

It requires an awareness of who you are - your attitudes and values, an openness to looking at the world in new ways, a willingness to take risks and to accept people on their own terms.

## Sacred Heart High School completes the 20th year of the German American Partnership Program. 1974 - 1994

Seven SHHS students and their teacher Sr. Emma Jean Middendorf departed Logan on Lufthansa 423 only days after the '93-'94 school-year ended for a month's exchange in Germany, 14 June - 14 July. Action packed days with many impressions, Realschule-Saarbruecken, ten day trip through Germany, neue Freunde und viele neue Woerter, towns and villages, mountains and trains, Deutsche Jugendherberger, Alpen und Ostsee, alles WUNDERBAR!

Eleven German students and their teachers Frau Woody Eisinger and Frau Ericka Hellenthal departed Frankfurt on Lufthansa 422, 17 October - 13 November for their month's stay in the USA. Many were hosted by the SHHS families whose son/daughter had been a "guest" in their own German homes. A week long sight-seeing trip to Niagra, New York City and Wahington gave them a sampling of the American culture.

"We have to start like this, take young people to foreign countries. They'll keep the contact alive, take away prejudices against foreign people, fight against violence and stand up for more understanding among the people in the world." Excerpt from a letter sent by Frau Eisinger, 23 November '94.

# *Language.....Medium of Exchange.....*

## .....Language.....Medium of Thought

The language department has expanded its offerings this '94-'95 spring semester of this school year to include "student language teachers" to the second grades at the Sacred Heart Elementary School. The new venture allowed each second grader four weeks of instruction in each of the modern languages taught at Sacred Heart High School. Simple sentences incorporating vocabulary and topics which are prominent in a six or seven year old's everyday speech patterns were taught in a conversational manner. The young children experienced a fun-way to learn some new ways of talking in three languages and the student teachers entered the world of elementary school where perhaps they will find an interest in teaching as part of their future.

My name is Nekane Otaduy and this year I am an exchange student in the USA from Bilbao, Spain. It's really hard to come to another country because you leave everything, your friends, your parents, all the things you are used to doing.....but now, although I still have bad moments when I miss my friends and my family, I think that I have met really good friends here. It's good to know another culture and another people with another way of life. Sometimes I think that I am crazy because I came here. But what everybody told me at home and now I can tell to other people who want to be exchange students is that not everyone has the opportunity to spend a year in another country. Everything is going to be the same

when you return to your country (your friends will be doing the same things, your family, too) while you'll have learned lots and lots of new things and met lots and lots of new people.

I spent 1993-1994 as an exchange student in Denmark with the Rotary Youth Exchange Program. My hometown was Esbjerg where I had four host families. I traveled through nine countries, including Germany, France, Austria, and Italy. My year abroad was the best experience of my life, and I will forever be thankful to those who made it happen. ### NATIONAL PRAYER VIGIL FOR LIFE

Teens for Life, the pro-life organization at Sacred Heart, takes an active stand against abortion. The group participates annually in the Boston Walk for Life in October when thousands of people from across the Commonwealth proclaim the sanctity of Life, and in the Washington, DC March for Life on the anniversary of Roe vs. Wade. On January 23, over 150,000 dedicated people converged on the nation's capitol to witness to the right to life for the pre-born. Sacred Heart's delegation included Jill Recke, Brenna Cussen, Mark Balzarini, Rosa-Mai and Martin Kueblbeck, Sr. Emma Jean Middendorf and Sr. Francesca. Over thirty priests concelebrated the Morning Eucharist in the Basilica of the National Shrine. His Eminence Bernard Cardinal Law was the principle concelebrant and homilist. Visits to Congressional offices to lobby for the right to life were possible after the March.

The Speech Team participates in several meets per year. The objective of the team is to strengthen and demonstrate each members ability in public speaking and debate. The members are: Senior captains Amanda Freeman, Katie Ayer, Beth Sharistanian, Leslie Pierce, Matt Thomas, Jessie Costa, Sarahjane Sacchetti, Lalitha Medarametla, Kate Sweeney, and Gia Montagna. The *Heart Beat*, Sacred Heart's student newspaper, celebrated yet another gallant year in 1994-95, its eleventh year of publication. Headed by Moderator Robert Slavin, the *Heart Beat* staffers and editors continued to write on issues facing the school community as well as affairs that influence the world we live in. Highlights of the year included the annual trip to the Columbia Scholastic Press Association's seminar in April in which the paper received a first place award for overall paper and staffer Carolyn Milewski was named as one of the country's elite student photojournalists and was given a Gold Crown, a very notable achievement.

Editors toiled endlessly to get each issue out on time, and will soon pass the torch to next year's crew. The student body of Sacred Heart realizes the

importance of having a strong student publication which speaks out on issues facing the school as well as the world. We realize the hard work and deep talent that made up this year's *Heart Beat*.

## *The Childrens' Museum of Plymouth presents: "Nightmare Before Christmas"*

During the Halloween season the Childrens' Museum, in conjunction with members of the Sacred Heart Drama club, put together a haunted house called Spooky Town.

Spooky Town was the result of the combined imaginations of Mr. Berube, museum director, and Ms. Cathy Fank, artistic director. The highlight of Spooky Town, however, proved to be the Sacred Heart Staff's production of Tim Burton's animated masterpiece. The staff presented the two mystical numbers from Nightmare: "This is Halloween" and "Jack's Lament."

Excellent performances were turned in by Sacred Heart's own Chris Cook, Sarah Jane Sacchetti, Amy King, Jim Leslie, Kate Sweeney and Amanda Freeman, and Jen Cuddy.

### SHHS Talent Show

The talent show has been a long standing tradition here at Sacred Heart. It was revived this year. Spectacular singing and musical performances by all. There were also humorous renditions of various things by students and teachers alike.

Above to the right Casey Troy sang "On My Own" from the Broadway Musical Les Miserables, beneath her Cindy O'Conner does tricks with her dog Sherlock. To the right Alicia Conners and Patrick Gavin performed a scene from the Disney movie "Aladdin". Jesse Costa in lower right hand corner sang a solo.

Frank Runyon brought his interpretation of the *Gospel of Mark* to Sacred Heart. Titled "Afraid," the one-man show was a real crowd-pleaser, showcasing Runyon's various impersonations and acting abilities. The show brought some much-needed life to the stories contained in the New Testament. Helping Frank Runyon were Jim Leslie, Shannon Sullivan, Sarahjane Sacchetti, Trevor Mahoney, Chris Cook, Kristin Ryan, Cora Reilly, Kate Wilkinson, Kate Sweeney, Ms. Cathy Fank, and Joe O'Neill.

Sacred Heart Tech Crew is a student organization that works both within the theater department, and outside of it. Not only do its members work on six main theatrical productions a year, but they also work on Masses, assemblies, and school functions. Its main core members work over the 11 month school year, in many capacities to ensure that all assemblies here at Sacred Heart run as smoothly as possible. They are the people behind the scenes, yet are just as important as the lead role.

The 1994 edition of the Saints' softball team had a rollercoaster season that fortunately had more highs than lows. Strapped by the unexpected loss of several former All-Stars, the girls struggled to a 2-3 start which included losses to two arch-rivals, Westport and West Bridgewater.

After April vacation, the team came together and went on a fifteen game winning streak to finish at 17-3. Rachael Moeller, Charity Pettepit and Colleen "Catfish" Griffin shared the pitching duties, while Emily Damiano, Kerri Gillis, Kristen Belsito and Sarah Donahoe led the offense.

The season had a number of extraordinary games including:- a grusome one-run loss to Bristol-Plymouth the Friday before April vacation. - a clutch victory at Avon in which the entire pitching section of the rulebook was analyzed. Rachael was correct. - an even more thrilling win over Avon in extra innings to clinch the championship, highlighted by Danielle Doucette's shot heard round the world! - a wild triumph at Southeastern showcasing the ever-elloquent Pettepit sisters. - a solid win over a Martha's Vinyard team in a game rescheduled at the last minute because they needed one more win to make the tournament. Sorry M.V.- and finally, a stunning loss to Norton in the quarterfinals, a game which the Saints owned for 4 2/3 innings thanks to the "Catfish"

With a new coach and a wave of young players, the Lady Saints took to the tennis courts with renewed spirit in 1994. First year coach Mike Davis got off to a rocky 1-6 start, but the Saints finished with seven consecutive wins to close out an 8-6 season.

Led by Captain Courtney Murphy, the girls

showed their mettle in the second half of the season. Murphy, along with Sue Fortini and Kristen Winterson, headed the singles play for the girls. Key wins over Chatham and West Bridgewater almost propelled the girls into the State Tournament.

With his young team, Coach Strohschneider spent most of the 1994 spring track season rebuilding for the future. Bright spots during the 2-5-1 season included impressive wins against Tri-County and Diman. The Saints tie against West Bridgewater was also a moral victory of sorts.

Leading the Saints on the track and in the field were juniors Steve Patton and Adam Young. Patton (All-Star, MVP) averaged just under 15 points per meet during the season. Senior leadership was provided by Jeff Phaneuf.

Early on in the school year the 1994 Boys Soccer team barely had any recognition in the league. By midway through the season the Saints had compiled a 9-0-2 record, the heads started to turn. The Varsity team were highly ranked midway through the season as second in Division 3 in the Boston Globe's coaches poll. This year the team had its roots set primarily in the Junior and Senior class. Paul Neville and Co- Captain Jon Powderly led the team and the league in points for goals and assists. Veterans to the team were Eben Bubbins, Jeff Proctor, Ben Reed, Co- Captain Matt Tavares, Adam Young, Kevin Cooper, Goal Keeper Brian Kingsley, and Stephen Patton. The Saints were under a new skippper this year, Richard Sholtanis, he brought with him years of soccer experience and fabulous drills to help improve the team's skill levels. The Saints completed the regular season with a 13-2-3 record. This record earned them second place in the league, behind league nemesis Holbrook.

The mix of veteran runners and new harriers proved to work in the Lady Saints' favor as the girls become 1994 Mayflower League Tri-Champs. This season was a great sucess and fun for the entire team. The girls ran hard in each meet they had and deminstrated their ability to work as a team. Many things are important to having a good cross country team, but a major asset of the team was having strong middle runners as well as fast top runners.

After struggling to win five games last season, the 1994-1995 boys varsity basketball team had a lot to prove this season. With veteran leadership due to not losing any seniors to graduation the year before, this Saints squad had a promising outlook this year.

Leading the cause for this year's campaign were captains Geoff DuWors and Kevin Cooper. DuWors led the Saints in many offensive categories, while Cooper running the point guard position.

In strong supporting roles, "Big Men" Dave Casinelli, Vinnie Lifrieri and Brian Centofanti added the height and the inside power on both the offensive and defensive ends, while Andrew McFarland and P.J. DuWors contributed greatly to the success of the team from the guard position.

If you had to sum up this year's team in one word, it would be "improvement." The Saints look to make a run for the state tournament for years to come.

## Junior High Student Council

This year has been a successful one for the Junior High Student Council. We have been incredibly active with our Student Body. We have held two dances. One of the dances was the now traditional *blanket dance*. This is one way our Junior High donated blankets for the poor by bringing in blankets as their admission to the dance. Our nachos, which we sell a couple of times a month, are our source of money for a student scholarship to be awarded at the end of the year. The student council has also been extremely involved in the community. At Christmas time many gifts - stuffed animals, scarfs, hats and makeup kits

- were given to nursing homes and needy children throughout Plymouth. Gifts were also taken to places in Boston, such as, Rosie's Place and Pine Street Inn.

The induction ceremony into the Beta Club is a night full of pride for the students, parents and teachers alike.

The Beta Club is a non-profit, non-secret leadership/service club. Its purpose is to encourage students to work hard, to foster qualities of good character, and to reward student's for their work. "It teaches us leadership and responsibility," was one members remark. To be a member you must have a 3.65 average and have provided 3 hours of service to your school or community. Michael League, an eighth grade student, says, "It makes me feel great to know that I'm helping others." Being a member of the Beta Club has a strong meanings for a lot of students. "It's a good goal to strive for", "It makes you feel rewarded for all your hard work," and "It makes you feel good that you could accomplish this much". These were just some of the comments made.

# C L U B

As seen above, the Beta Club is more than an academic organization. It sponsors fun activities such as hat day and a parent, teacher appreciation night.

# Youth Speaks

On January 22nd, 1995, the Sacred Heart Junior High Forensics Team competed in the twenty sixth annual Youth Speaks Tournament against forensic teams from Catholic Memorial and Milton Academy.

Under the direction of Mrs. Romano, the team members worked extremely hard in preparation for the tournament and the outcome was rewarding. Many of the competitors placed high in their rounds and received super ratings for their interesting presentations. The other teams were difficult to surpass, but Sacred Heart participants all did their best, and deserve an enormous amount of credit.

Among the people who deserve credit is Jessica Colligan who proudly took home a trophy for fourth place in the poetry event. The other events participated in were Duo Interpretation, Prose, and Original Oratory.

The Duo teams gave the other teams a run for their money and did quite well. Considering the overwhelming amount of people enrolled in

Prose, Sacred Heart came through with flying colors.

Those who took part in Duo Interpretation were Michael League and Jonah Micutowicz, Rio Sacchetti, David Okalita, Ali-Elizabeth Held and Cassie Howard.

Those who participated in Prose were Jennifer Burke, Frank Rubino, Margaret Ferguson, Curtis Burgland, Courtney Stonely, Sarah Banks, Kristen Samos, Brendan Eldridge, Bridget Howard and Samantha Romano.

From now until April, the Sacred Heart Junior High Forensics team will be preparing for their next tournament at Milton Academy.

## *Ski Club*

The Junior High Ski Club started the season in early December with 43 skiers heading off to the slopes of Killington, Vermont. The bus loaded at 5:00 AM and all skiers were on the mountain by 10 o'clock. Each skier was required to take a lesson so that both the first time and the advanced skier could improve their skills. For three of the Ski Club members it was their first time on skis. By the end of the day each had been to the top of Killington and planned to attend the second ski trip in early January. The Ski Club planned four trips, one each month during the season. They include Killington and Mt. Snow in Vermont and Gunstock and Ragged Mountain in New Hampshire. The Ski Club also planned a family weekend at Mt. Cranmore in North Conway, New Hampshire. Thirty five families headed north on the last weekend of January. The family weekend included skiing, shopping at many of the North Conway outlets, a Saturday night pizza buffet at the Mt. Cranmore's north base lodge and a Sunday brunch at the hotel. A great time was had by all.

The Ski Club was initiated by some of the Junior High parents during the spring of 1994. The Ski Club committee of parents felt that each of the trips should be open to all junior high students on a first come first serve basis. The committee was able to negotiate all the details of the trips so that the cost of each trip remained reasonable. Mrs. Marie Drysdale is the faculty advisor for the Ski Club and was able to address many of the in school ski trip questions. From all reports each of the junior skiers had a great time skiing with their friends.

Thanks Mr. & Mrs. Drysdale!  
Mr. & Mrs. Fiske!  
and Mr. & Mrs. Recke!

# *The annual New York Trip*

The 7th and 8th graders who arrived in the parking lot by 5:30 A.M. for the New York trip were undaunted by a slightly delayed start. As the trip progressed, darkness gave way to the bright colors of a pleasant fall day.

The group was greeted at Battery Park to a street performance of local gymnastics. The weather was just right for the ferry ride to the island for the visit to the Statue of Liberty and Ellis Island. There the students saw the exhibits which depicted life for immigrants. Some were lucky enough to track a section of their family roots on a computer and then to the wall outside.

The group showed its courage by confronting the World Trade Center at rush hour. Most were brave enough to the 107th floor and were rewarded with a breath taking view of the sun setting over the city.

The return to Sacred Heart just after midnight signified a satisfying and enjoyed day.

### *Song of the Body of Christ*

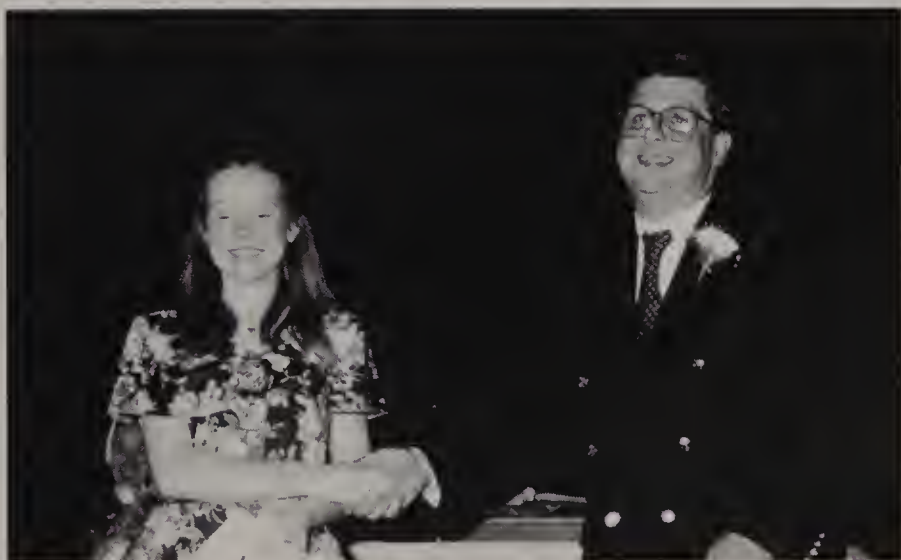

We come to share our story,  
we come to break the bread,  
We come to know our rising  
from the dead.

We come as your people,  
we come as your own,  
United with each other,  
love finds a home.

We are called to heal the  
broken,  
to be hope for the poor.  
We are called to feed the  
hungry at our door.

Mentor Mary Beth Magee brought this well assembled crew of talent to the ways of the court as they compiled an impressive 7-5 record. The rebounding prowess of Lauren Asp as well as her ability to score at will was one of the main reasons for the Saints' success. Julie Damiano was the floor general as she trademarked her seemingly effortless no-look pass and racked up assist after assist. Dee Catani made her presence known at the two-guard position with her outstanding shooting ability. Courtney Stonely left the defense in awe as she astounded them with her smooth scoring moves. First-year coach Magee appears to be a brilliant addition to the Sacred Heart family!

*For Kate:*

Children are like kites. You spend a lifetime trying to get them off the ground, you run with them until you are both breathless. They crash. You add a longer tail. They hit the rooftop. You pluck them out of the spout. You patch and comfort, adjust and teach. You watch them lifted by the wind and assure them that someday they'll fly! Finally they are airborne, but they need more string, and you keep letting it out and with each little twist of the ball of twine, there is sadness that goes with the joy because the kite becomes more distant and somehow you know that it won't be long before that beautiful creature will snap the life line that bound you together and soar as it was meant to soar, free and alone.

Love, Mom and Dad

Many things will change  
for you in the upcoming  
years, but one thing will  
never change:  
I will always be your big  
brother.

And did we tell you the challenge of being a man --  
the challenge of balancing your worlds --  
the need to achieve and the need to nurture --  
the need to be strong and the need to be tender --  
the need to meet the tests that life brings yet always  
keep love at the center --  
letting it be the star by which you set your sail.  
-- with love and pride, Matt, you're on the right course!

## TEN COMMANDMENTS OF HUMAN RELATIONS

### 1. SPEAK TO PEOPLE

There is nothing so nice as a cheerful word of greeting.

### 2. SMILE AT PEOPLE

It takes 72 muscles to frown but only 14 to smile.

### 3. CALL PEOPLE BY NAME

The sweetest music to anyone's ear is the sound of his or her own name.

### 4. BE FRIENDLY AND HELPFUL

If you want to have friends you must first be a friend.

### 5. BE CORDIAL

Speak and act as if everything you do is a joy.

### 6. BE GENUINELY INTERESTED IN PEOPLE

You can almost like everybody if you try.

### 7. BE GENEROUS WITH PRAISE

and downright stingy with criticism.

### 8. BE CONSIDERATE WITH THE FEELINGS OF OTHERS

There are usually three sides to a controversy: yours, the other person's and the right side.

### 9. BE EAGER TO LEND A HELPING HAND

Often it is appreciated more than you will ever know. What counts most in life is what we do for others.

### 10. ADD TO THIS A GOOD SENSE OF HUMOR,

a huge dose of patience and a dash of humanity. This combination will open many doors and the rewards will be enormous.
